A screenshot of a 'Drop Project Log In' dialog box. It has a title bar with a close button (X). The dialog contains three text input fields labeled 'Name', 'Number', and 'Token'. Three orange arrows point to these fields from the left. Below the 'Token' field is a checkbox labeled 'Show'. At the bottom left is a button labeled 'Add student'. At the bottom right is a link labeled 'Get your token here'. At the very bottom are two buttons: 'Log In' (blue) and 'Cancel' (white).

The screenshot shows a web browser window with the URL <https://deisi.ulusofona.pt/drop-project/upload/lixo-experiencias>. The page title is "Drop Project". In the top right corner, there is a user profile icon with the text "a5356" and a dropdown menu with options "Logout" and "Access tokens". The main heading is "Personal access tokens". Below it, a subtitle reads "Tokens you have generated that can be used to access the Drop Project API". A box displays a token: "Token: A5js5H4j5h4j" with a lock icon, and below it, "Expires on 2032-08-31 00:00:00.0". At the bottom, there are two buttons: "Generate a new token" and "Copiar" (with a copy icon). An orange arrow points to the "Copiar" button.
